PLEASE CHECK ENCLOSED AMOUNT	\$100.00	\$75.00	\$50.00	\$25.00	OTHER

65175-016

Improving Our Church Home – combines the Special Projects and Church Hall Renovations envelopes. Money received in this envelope will be put in an account to be used only for improvements to the church including renovations to the Church façade, church hall and any other buildings requiring improvements.

Parish Buildings and Grounds Maintenance – combines the former insurance, fuel, and snow plowing collections. Monies received in this envelope will be used for maintaining the parish facilities including the grounds.

This modification to our envelopes was recommended as part of our financial reconciliation. The new envelopes were designed to increase efficiency and save money by reducing the number of envelopes you receive, simplify recording and accounting of money, and increase accuracy in allocating funds for payment of parish bills.

We apologize for the late explanation of the change in the envelopes. These envelopes were scheduled to be implemented in January 2022, but our supplier mistakenly put the modifications into production sooner than the agreed to schedule.

If you have any questions or concerns, please contact either Deacon Paul LeBlanc, the trustees, or Parish Manager. Thank you for your continued generosity and support of St. Michael's Church.
